Pupil Response

What are your thoughts?

1. It has been hard to be away from school and church because they are places that we learn and ask questions.
2. We have missed the face to face contacts with people at school and in church and being able to ask questions and get a reply straight away.
3. The biggest worries have been about; losing out on education, loved ones becoming sick, becoming sick ourselves and not being able to do normal things like play outside.
4. Sharing worries with others has been a good way of helping, although sometimes it has been hard to find people to talk to.
5. Everyone is using technology to stay in touch so maybe church could too.
