What are your thoughts?

- 1. Have more lay people with responsibility in parishes.**
- 2. Create more of a sense of community so that people are more willing to share their gifts.**
- 3. Make the church more relevant and modern to young people. This might include having youth clubs to give children a chance to meet and socialise in person.**
- 4. Ideally anyone could be a priest, men and women, as well as giving those who are married the chance to be priests.**
- 5. There needs to be more emphasis on the redemption that church offers. So people don't feel like they are being told off all of the time.**
