

Theme 3

St Matthew's Catholic Primary School

Pupil Response

What are your thoughts?

- 1. Having Mass in other places, such as in the park or at people's houses.**
- 2. Having more chance to pray together as a whole school where we get to listen to more Bible stories.**
- 3. Have time in church that is run by children for children. Not where we go in another room.**
- 4. Advertise with posters and have different themes for mass where people may be able to dress up or have activities after mass like film night, disco, pizza night, bowling night, cinema or disco.**
- 5. Give us opportunities to go and pray with people like sick children or old people.**
