Staff Response

What are your thoughts?

- 1. More time available for Collective Worship. Sometimes it feels like it is squashed in.**
- 2. Idea that mass can be any day rather than just on Sunday at anytime. Provide opportunities for people to attend mass at different times.**
- 3. Seeing priests and deacons more as members of the community rather than figures of authority.**
- 4. Having more opportunities for reflection in church. So it's not always mass. It might just be a time to go and talk to people. Maybe with themes.**
- 5. Avoiding strict 'formal' prayer. Allow people to contribute to prayer in church.**
