

Hello Year 6,

I hope you are all well and staying safe. We miss you all so much at school and have loved seeing all of your work online so far!

I know completing school work at home can be very difficult as there can be a lot more distractions for you at home than there are in school. So, it is really important that you try to still have a good routine. **Firstly**, set a time to **get up** in the morning, have some **breakfast**, get **dressed** and **prepare** yourself in the same way you would as if you were coming to school. If you do this, your brain and body will feel prepared to work (not like you are still in bed!) ☺

Then, set yourself some realistic **targets** for the day. For example, "By lunchtime I will have completed my Literacy, Reading and Maths work."

It is okay to be flexible with your work if you like. If you want to do your RE before lunch and Maths after lunch that is fine, as long as it is all done, but setting yourself **daily targets** will help to **achieve** this.

Give yourself regular breaks, try and get some fresh air if possible and make sure you stay hydrated by drinking lots of water or juice.

Below is an **example timetable** of what your day could look like. Please note that this is only an example and you can adapt it to suit your home learning as long as all of the work is completed to the best of your ability by the end of the week!

You will notice that we will be putting up some videos to help you with some of the lessons in the learning pack so look out for these on dojo and the school website!

Miss Parry and Mr Brooks ☺
