1. Once logged in click on My ebooks

2. Click on levels on the top menu bar.

3. Then click on oxford level and choose your child's current reading level (this can be found on the back of your child's home reading book) please stick to the level your child is currently at.

4. You can then choose one of the books listed and the book will appear in a new window like this..

5. The arrows on the bottom right of the screen allow you to turn the pages. The triangle on the bottom left of the screen allows you to listen to the story but please encourage your child to read the story themselves to practise their reading before listening to it if they wish. The + and – buttons allow you to zoom in and out on a page to make the text bigger.

6. If you click on the pencil button on the bottom of the screen then you can choose the pen or highlighter which will allow the children to highlight words. This can be useful for the children to highlight words they found difficult which they can then go back and practise or they can use it to highlight phonic sounds that they have been learning that day.

7. On the inside covers at the front and back of the book you will find some helpful tips and questions for parents
