

The Kingdom of My Heart

Monday

Prayer Leader:

We know that 2022 doesn't start until January, but did you know that this week we begin a new year?

On Sunday it was the Feast of Christ the King, which is a celebration at the end of the Liturgical Year.

Just like we celebrate the passing of one calendar year to the next, the Feast of Christ the King celebrates the changing of one of Liturgical Year to the next.

Prayer Leader:

Christ the King is a time to celebrate Jesus as our king and to remind ourselves to put Him first in our lives!

This week, we're going to reflect on how our hearts are like little kingdoms that need a king.

Each day we'll consider what is important to us, and ask Jesus to be the king of our hearts.

Prayer Leader:

Let's take a moment to be still and
prepare for our time of prayer.

Now let's say together:

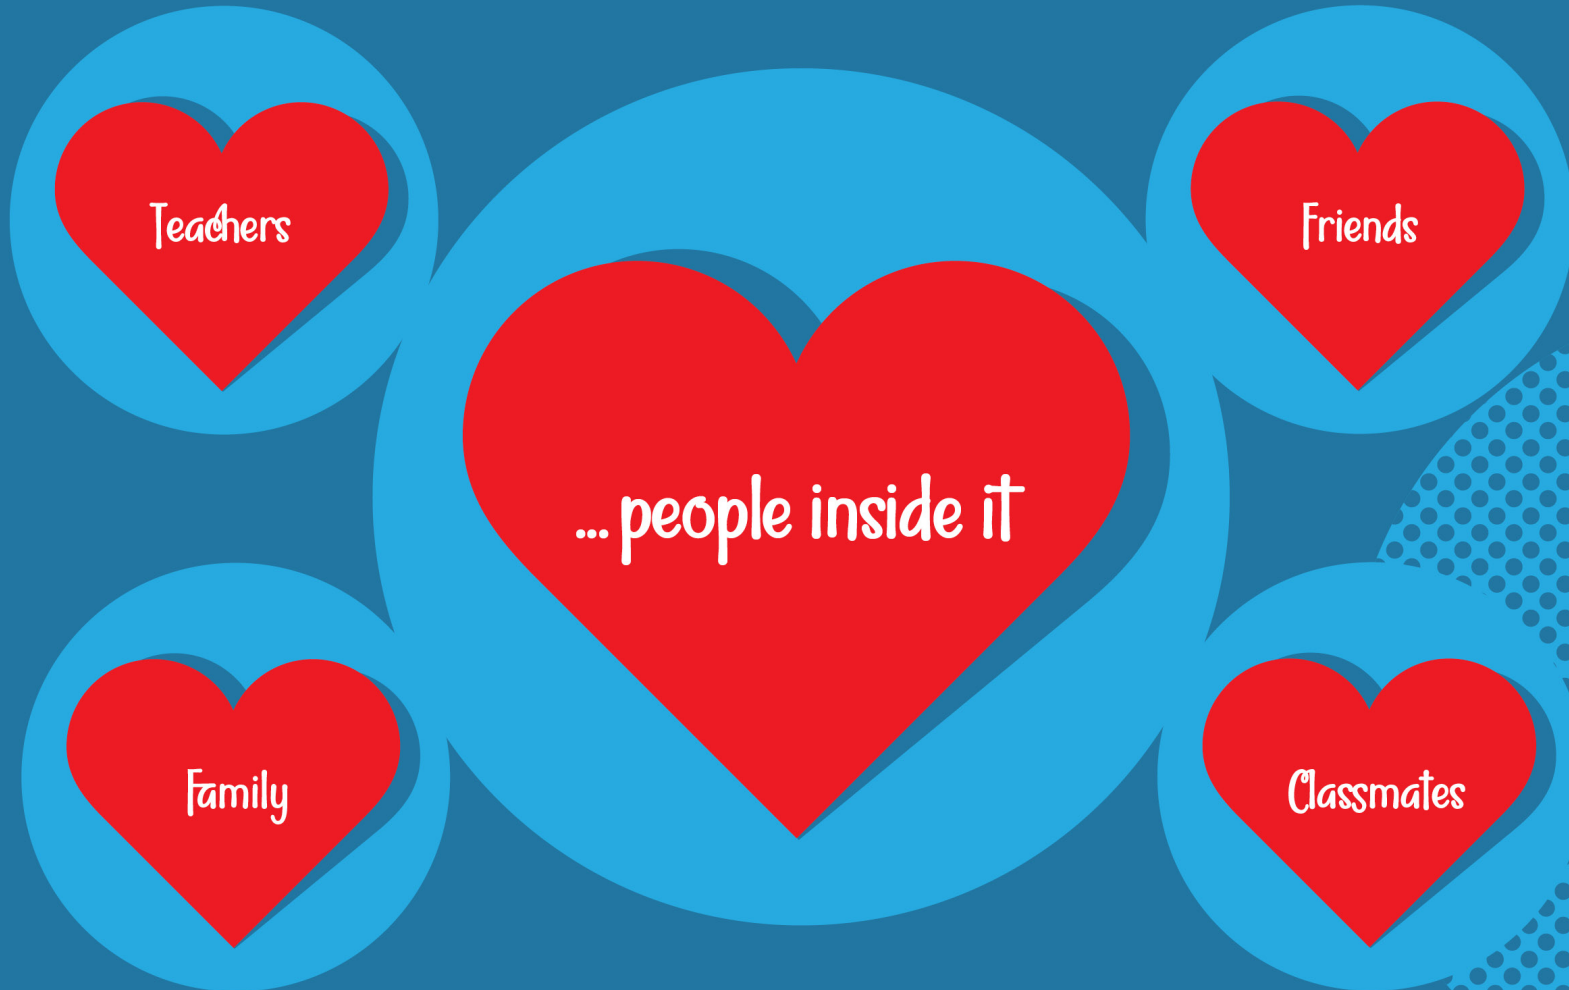

All:

**Thank you Jesus for caring about me
and what's inside my heart!**
