

The Spring Term

What a wonderful Spring term we've had! We've celebrated Valentines Day, Pancake Day, Easter and taken part in our Stations of the Cross whole school assembly.

World Book Day was a real success—our children in Reception all looked amazing and we had a fabulous week discussing our favourite books.

We really enjoyed our fundraising dance event and we managed to raise over £70 for Ukraine and The Good Shepherd.

We've been working so hard in our Literacy lessons and we've learnt how to retell three stories this term—We're Going on a Bear Hunt, The Little Green Dinosaur and The Very Hungry Caterpillar. Our Phonics has really improved this term and some of us are reading fluently now and writing in full sentences.

In Maths, we've focused on measure in the form of length, height and capacity.

Music and PE

Our PE topics this half term have been 'games' and 'dance'. We have really enjoyed learning about new team games that promoted our team work and in Dance we've learnt full dance sequences to a range of different styles of music.

In Music we have become really confident with using instruments and listening to the rhythm and beat in music.

After School Clubs

During the Spring term we have taken part in Yoga, Arts and Crafts and Reading club! We loved learning about the different poses and flows in Yoga.

We learnt lots of new art skills in craft club and created a variety of different projects. In reading club we created our own lending library and read lots of different stories that some of us have never heard before!

Wow experience

Reception had a special visitor this term during our 'Space' topic. We found an alien crash landing in our outdoor area and the children were very enthusiastic to help get the alien back to space.

What's coming up!

Now that spring term is over we are very excited for the summer term; our last term in Reception!

We are looking forward to celebrating the Queen's Jubilee in school and have lots of lovely things planned for this special occasion.

Some of our summer topics are animals in danger, people who help us, screen free week, mini-beasts, superhero's, seaside and journey's! We will also be preparing the children for their transition to Year 1 which we do gradually to support all pupils with this change. We will also have a end of year assembly to celebrate our achievements throughout the year!
