Cleaning & Maintenance Policy

Through respect we will work together in Christ to develop the whole person

Written: November 2022 Date of Review: November 2022 Leader: Mr P Hughes

Aims and Objectives

This policy is designed to manage the cleaning of St. Matthew's Catholic Primary School. It should be used in conjunction with the school's Health & Safety Policy.

Mission and Vision

'Through respect we will work together in Christ to develop the whole person'.

To achieve this we will seek to show pride and respect in our school. We will promote a clean and calm working atmosphere. We will ensure that our school is a safe place where everyone feels secure.

Key Roles and Responsibilities

- 1. The Head Teacher has overall responsibility for the implementation of the cleaning of St. Matthew's school.
- 2. The Site Manager will be responsible for the day to day implementation of the cleaning policy.
- 3. The Site Manager will be responsible for overseeing the day to day cleaning and for organising a scheduled deep clean annually.
- 4. The cleaning staff are managed by the Site Manager.
- 5. The Site Manager will be responsible for any and all equipment used in the cleaning of the school premises.

Maintenance

- 1. The Site Manager will be responsible for the maintenance and upkeep of the school premises.
- 2. The Site Manager will be responsible for ensuring that all maintenance/health & safety inspections are carried out regularly and recorded thoroughly.
- 3. Reported faults will be recorded via the issues logging system.
- 4. Ladders and other equipment designed for working at height must be checked prior to use and regularly maintained.
- 5. Outside contractors must have their own insurance to work on the premises.

Cleaning

- 1. The school's Cleaning Risk Assessment will be reviewed annually.
- 2. If instructions on cleaning chemicals state eye protection should be worn, this must be done.
- 3. Products must be diluted as directed.
- 4. Cleaning products must not be mixed.
- 5. Bodily fluids, blood and vomit must be cleaned as soon as possible after they are discovered to prevent the spread of communicable diseases.

6. To avoid cross-contamination different cloths/mops must be used for different areas.

Colour	Cloths	Mops
Red	Toilets	Toilet floors
White	Toilet sinks only	
Blue	Tables, chairs & other	Hall, corridors and classrooms
	furniture	(wet)
Green	Classroom sinks, taps &	Dry all areas
	door handles	
Yellow	Vomit	Vomit

- 7. The school will be cleaned according to the attached cleaning schedules.
- 8. During outbreaks of infectious disease the Chair of the Governing Body has the authority to close the school and mandate a deep clean.
- 9. Ladders should only be used if necessary and the correct ladder for the job must be used as per working at height training.
- 10. Cleaners will refer to COSHH (Control of Substances Hazardous to Health) regulations for further guidance on cleaning chemicals.
