2nd May 2023

Dear parents and carers,

We had an excellent week in school last week. Our extra-curricular clubs started and it was lovely to see all of our children learning and shining together demonstrating our mission statement in action.

I have personally been thinking about our school mission statement and how it reflects what 'our school' is and should be about. Most importantly what it means to be a part of 'St. Matthew's school community'.

**Love:** We believe that everyone is made in the image of God and has value and worth. We believe in working together, being respectful and compassionate towards each other, and as we do we achieve our very best.

**Learn:** Together we learn how to be an awesome learner learn new things, build and develop on things we know already and encourage each other to achieve our best and celebrate our successes.

**Shine:** We are proud of and celebrate our achievements together. We always persevere and try our very best.

**Laugh:** We believe that God knows us and is with us wherever we go. We feel safe, secure and valued in our school and we can: have fun in our learning activities, feel confident to join in with activities and are willing to take a risk and have a go.

Thank you for your continued support

## The Coronation of King Charles III Celebration Day

On Friday 5th May we will be marking the Coronation by wearing Red, white and Blue (no football kits please).

Children will enjoy traditional Fish and Chips for their lunch and enjoy crafts in their classes in the afternoon. Children are welcome to make a crown at home, on Friday afternoon school will be celebrating together and we will crown our winner. This is entirely optional.

Keep your eyes peeled on seesaw and twitter to see where the King travels to throughout the week.

**We do ask that Year 6 come in school uniform with a change of clothes and they will get changed after their SATs.**

## Eurovision

With the Eurovision Song Contest fast approaching, we will be marking this historic event for our city with a number of events. Each class will be researching a European country and doing some work on that country throughout the week.

On Friday 12th May children will be invited to dress in the colours of their countries flag. Classes will be learning an original song composed especially for our school by Rosie Smith our music teacher. On Thursday 11th May 2023 we will have our Eurovision Party Lunch.

## Live Simply

As clothing companies are becoming more and more responsible for carbon emissions globally, could we help by donating our old clothes to charity? Could you drop some clothes off at a charity shop or into school where we could help to donate them.
