LOVE, LEARN AND SHINE TOGETHER WITH JESUS

The use of the Credit Card by St. Matthew's Catholic Primary School is governed by s.2.18 of 'LCCs Scheme for Financing Schools'. Under no circumstances can a school have a debit card. The governing body has approved the use of the Credit Card and these procedures will be included in the 'Schools Finance Procedure Manual' to be approved by the governors at the meeting held on **4th December 2023**.

From time to time the school may be offered an opportunity to purchase goods or arrange for services for the school from companies that shall not invoice but shall only accept a direct payment. To make use of these best-value offers, the school holds a credit card. The headteacher will ensure that there is budgetary provision for all purchases and that there are sufficient balances available in the bank to cover the expenditure.

The primary method of payment remains invoicing and this shall generally be used in preference to card purchases where such is offered by the supplier.

- The headteacher/chair of governors may authorise anyone or more of the following to be a cardholder - head teacher, deputy head teacher, or senior teacher.
- Each card must have LCC as part of the name on the credit card.
- Each card shall be stored in the school safe when not in use.
- The PIN number for each card shall be known only by the cardholder and not disclosed to anyone else or written down.
- Should the card be lost or stolen the loss shall be reported by the cardholder to the issuing bank, the police (only if the card has been stolen), the school bursar and the head teacher immediately.
- Should fraud or misuse be suspected, the bank and LCC (Schools Finance Team (SIL) and Internal Audit) should be informed immediately so that appropriate action can be taken.
- The credit card shall have a spending limit of no more than £5,000 for the Primary Sector and £10,000 Secondary Sector controlled by the bank but set by the governing body. Limits for special schools will be the appropriate limit given the age range of the pupils.
- There shall be no more than two cardholders per Primary Sector and four cardholders per Secondary Sector.
- The credit card balance shall be settled in full automatically each month thereby avoiding credit card interest charges.
- The card statement will be cross-referenced with the original purchase receipts by the School Finance Officer. The credit card statement should be entered into the schools financial management system as soon as possible as a 'Cash Book Journal'.
- The journal must itemise each purchase made on the card (Net and VAT) against the appropriate ledger code to ensure that the total of the journal reflects the total on the credit card statement. The School Finance Officer and head teacher will then sign the statement as confirmation of reconciliation. The Cash Book Journal and original purchase receipts, together with the credit card statement, should be kept on file, to ensure the completeness of the accounting records & ready to be checked during visits by the Schools Financial Advisor (SIL).
- All receipts shall be authorised by the head teacher
- The cards shall not be used for personal expenditure under any circumstances or for purchases on behalf of a third party.
- Cash withdrawals are not permitted.

- All authorised cardholders shall sign the ‘cardholder consent form’ to accept that they have personal responsibility for transactions on “their” card which are not conducted with the approval of the school under this policy. The cost of any unauthorised transactions and where reimbursement is not received then the cardholder will be subject to gross misconduct.

Separation of Duties is fulfilled by the following:

- If staff require goods via the Internet, they must liaise with the office manager/bursar to place the order online providing they have sufficient budgetary provision and get the head teacher or the deputy to authorise the purchase.
- Cardholder makes a purchase.
- The head teacher authorises the receipt of transactions submitted by the cardholder
- The office manager/bursar officer records expenditures on the school accounting system.
- Office manager/bursar to reconcile direct debit on bank account statement against credit card statement.

**Purchases under £200**

- May be off-site but must be kept to a minimum and approved before purchase
- A VAT (if applicable) receipt must be obtained
- The cardholder must present the receipt for goods/services to the bursar

**Purchases over £200**

- Must be ordered on the school premises by the authorised cardholder only
- All orders must be delivered to the school address
- A VAT receipt must be obtained
- Must have record of receipt of goods/service at school, i.e., delivery note
- When using the credit card, the money will be taken from the bank account once the purchase is complete although the goods may not have been received

**Note:** We understand that non-adherence to these policies/regulations may result in the withdrawal of the credit card facility from the school and in certain circumstances the issuing of a notice of concern or withdrawal of delegation.
