Primary School

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on ‘**whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school**’.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until July 2022:	Areas for further improvement and baseline evidence of need:
<p>Due to pandemic/Lockdown some actions and achievements in competitions/extra-curricular clubs were unfinished and we aim to pick this up as we move into 2021-2022.</p> <p>We have continued to build on children's swimming proficiency and our lesson offer for year 3 children and upwards.</p> <p>Daily Mile has been re-introduced to all children re-attending school.</p> <p>Introduced GetSet PE Whole school scheme of work to support consistency and progression of skills/use of vocabulary.</p> <p>Offered a range of extra-curricular clubs and intra-competitions within bubbles to children during half of the school year.</p>	<p>Teachers will deliver all PE sessions further embedding the whole school scheme of work and under direction of PE lead.</p> <p>After School providers (including use of sports coach and Learning mentors) to promote extra-curricular sports and activity.</p> <p>Swimming lessons to resume/continue following LA guidance and offered to all KS2 children.</p> <p>Further develop roles of LSA's and sports leaders to promote physical/active play at lunch/play times.</p> <p>To further develop outdoor areas- gardening/growing plants/vegetables to promote a healthier lifestyle.</p> <p>To continue to update and purchase equipment in order to carry out physical activities/PE lessons.</p> <p>To further promote cycle/walk/scoot to and from school and out of school activity.</p>

Meeting national curriculum requirements for swimming and water safety 2022-2023.	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023.</p>	94%

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	94%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	94%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
