

RE on a Page (or two)

Reception, Year 1, Year 2 and Year 3

- Teaching new Religious Education Directory (RED).
- We will all start with Brach 1: Creation and Covenant.
- A scheme of work sent from Archdiocese but there is lots of scope for creativity.
- Annotate these plans for now until we have further advice.
- Each class will need a timeline of scripture. Each time we teach a new piece of scripture we will add it to the time line.
- Pictures for the timeline will be in the curriculum folder.

Year 4, Year 5 and Year 6

- Carry on teaching 'Come and See' until September 2025.
- Resources available on Google Drive.
- Scheme of Work for Topic 1 is available for everyone on shared drive but please feel free to change activities to suit your class.
- Be creative with lessons.
- Next year we have the chance to plan our own lessons so this year is a good chance to see what works and what doesn't.
- Lessons can include art, music, drama to help get the children to experience awe and wonder.

ECT's will have the opportunity to attend archdiocese training throughout the year.

Overviews of Come and See and RED will be available on shared drive.

Prayer and Liturgy

- Overview of the Year is on shared drive.
- Plans for first three weeks on shared drive.
- Ideas documents are on the shared drive.
- Children should be involved in reading scripture and responding to prayers as much as they are able.
- Try to include as much singing as you can.
- Keep prayer tables up to date. Follow liturgical colours for your cloths. We are on Green to start with.
- Try to add some seasonal decorations too e.g leaves for autumn.

NB the format for Prayer and Liturgy will be changing part way through the autumn term and further training will be provided.

Catholic Life and RSHE

Journey In Love

- Lessons deal with changes in our bodies and relationships as we grow older.
- These lessons will be taught during Summer 1 term. But it is always good to have a look to see what is coming up.
- All lessons **have to be taught** apart from 2 sexual intercourse/reproduction lessons in Year 6.
- Parents will be notified before this and invited in for a meeting.

- No need to supplement lessons with other resources unless directed by the archdiocese.

No Outsiders in Our School

- Lessons deal with the Equality Act and protected characteristics.
- All lessons are statutory and there is no right to withdraw from any lesson
- Lessons will now be taught in the last week of each half term so parents are aware of what is coming up.
- You tube links have been sent to parents along with objectives so they can be the first educators in these matters.

SMSC

- SMSC Link for all topics are on shared drive.
- Please copy and paste onto the front of your plans.
- Please refer to these with your class.
- These are the reasons we teach each topic.
- They are what we want our children to take forward to become Citizens of the Future.

Any questions about anything please ask.

Mark
