HOW TO IDENTIFY A TAX-FREE CHILDCARE PAYMENT

When a parent pays you using their childcare account, the transaction will appear on your bank statement as **National Savings A**.

This entry should also contain the child's:

- **Childcare reference number**, made up of 4 letters and 5 numbers. The letters are the first initial and the first 3 letters of the child's surname. For example, AJON12345.
- **Tax-Free Childcare account number**. This will be 13 digits long and start with 1100, and should contain the letters TFC. For example, TFC 1100012345678.

If your bank displays payment information differently and you are unable to identify a parent's payment, you can submit a [payment reconciliation form](#) or call the childcare service helpline: 0300 123 4097.
